

LIMITED ONE YEAR WARRANTY

Each “Giraffe” bracing component used in the construction of an Insulated Concrete Form building in Canada or the United States carries the following one-year warranty to the first owner of the “Giraffe” bracing. If a “Giraffe” bracing component, (as a result of a manufacturer’s defect in workmanship or materials as reasonably determined by Entreprises Prostamp Inc.), fails to meet the standards set forth in our product manual existing at the time of purchase, when installed in accordance with our recommended guidelines, Entreprises Prostamp Inc. will, at its option, provide a replacement or refund the actual purchase price of such component. This one-year warranty is exclusive of all other costs and expenses of any nature or kind, including labour, to remove the defective component and replace it with a new product. Proof of ownership at the time of installation and proof of purchase from a “Giraffe” bracing authorised distributor is required.

THE FOREGOING WARRANTY SHALL BE IN LIEU OF ANY AND ALL OTHER WARRANTIES, EXPRESS, IMPLIED OR STATUTORY, INCLUDING BUT NOT LIMITED TO, WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, ALL OF WHICH ARE HEREBY EXPRESSLY DISCLAIMED. If the proceeding sole and exclusive remedies should be found to have failed their essential purpose, in no event shall Entreprises Prostamp Inc. ‘s liability or first owner’s remedy exceed the actual purchase price for the product.
